

Riversdown Boogie (3:12)

(Hillbilly Hämpi)

**Chicken shed Boogie at Riversdown
That's where the lyrics are rockin' around
In Southern UK out in the green
There's a lovely place if you know what I mean**

*Riversdown Boogie Riversdown Boogie Riversdown Boogie
I'm a student here for just one week*

**The classrooms are in the chicken shed
Everybody listens to what the teachers say
Learning English this is cool
I'm learning English cause I'm not a fool**

*Riversdown Boogie Riversdown Boogie Riversdown Boogie
I'm a student here for just one week*

**Mr Lewis and his lovely wife too
Wanna make every student's dreams come true
Learning English that's the idea
But I told you baby that's so hard for me**

*Riversdown Boogie Riversdown Boogie Riversdown Boogie
I'm a student here for just one week*

**When I go back home with an overloaded head
I always remember what the teacher said
Never give up and learn real hard
And be proud to be part of the Riversdown crowd**

*Riversdown Boogie Riversdown Boogie Riversdown Boogie
I'm a student here for just one week*

*Riversdown Boogie Riversdown Boogie
Riversdown Boogie Riversdown Boogie
I'm a student here for just one week
I'm a student here for just one week*
