

Lucky Boy (2:58)

(Hillbilly Hämpi)

**You're not a girl from Tennessee
But you're my jackpot in the lottery
You're strong and smart and beautiful
You ride a Harley, baby that's very cool**

**Every day I'm awakened, with a good morning kiss
And the coffee you bring to me I don't want to miss
You spoil and delight me day by day
You're the one and only that I want to stay**

*With you by my side I'm such a lucky boy
If you snap you fingers I'am just your toy
With you I will stay the rest of my life
And even without a wedding ring you are my wife*

**Wherever you go, men's eyes follow you
And the women also want to be like you
I want to be there for you every day
Wherever you go that's also my way**

*With you by my side I'm such a lucky Boy
If you snap you fingers I'am just your toy
With you I will stay for the rest of my life
And even without a wedding ring you are my wife
And I will always love you for the rest of my life*
