

*For Hämpi with Love, Paloma - 16.8.2019*

## **Crystal Ball (3:38)**

(Paloma Szathmary / Hillbilly Hämpi/)

**Once upon a time in Spring  
Waiting for the doorbell to ring  
It was a date, a long time ago  
He came along gentle and strong.**

**She didn't believe in real love anymore  
He was so different from all the others before  
They went out for drinks and had a ball  
He was a good-hearted man with a tender soul**

*If she could see thru a crystal ball  
She would see that they have it all  
Wondering what the future will bring  
No no, she won't miss a thing*

**He brought her home and they kissed goodbye  
But early next morning he called and dropped by  
He drove a long way for just a morning kiss  
He wanted more which was obvious**

**CHORUS:**

**He brought joy and rock'n'roll into her life  
And when times are rough, he is there by her side**

*If she could see thru a crystal ball  
She would see that they have it all  
Wondering what the future will bring  
No no, she won't miss a thing*
